PROFILE INFO

As a student of Computer Science and Engineering at Government College of Engineering Nagpur, I have acquired a wide range of technical skills and knowledge. From my fluency in English to my expertise in various programming languages such as Java, Python, and web development, I have honed my abilities to excel in the world of technology. With a passion for innovation and problem-solving, I am committed to making a difference in the field of engineering and beyond

WORK EXPERIENCE

Web Development Intern Bharat Intern
April 2023

During my stint as an unpaid intern at Bharat Intern, I had the incredible opportunity to work as a web developer for a month. It was an exciting experience, where I was able to sharpen my skills and gain valuable industry knowledge. Despite not receiving payment, the knowledge and skills I gained during my time there made it a truly rewarding experience.

Web Development Intern Sync Intern's
April 2023

For an entire month, I was given the amazing opportunity to work as a Web Developer Intern at Sync Interns. It was a thrilling experience that allowed me to develop and enhance my skills while gaining valuable insights into the industry. Despite being an unpaid internship, the experience was truly worth it, and I gained knowledge and experience that will stay with me for a lifetime.

MY SKILLS & EXPERTISE

Web Development

Graphic Designing

Java Development

Android App Development

Python Development

Data Science
